Re: United States v. Jason Dent  
Cv. No. 09-1938 (DGT)

Dear Judge Trager:

The government respectfully submits this letter to request an extension of time until January 19, 2010 in which to file a response to petitioner Dent's various motions. After trial conviction, the defendant has appealed to the Second Circuit; has filed various motions awaiting decision by this Court; has filed numerous additional motions, some of which are substantially identical to his previous motions; has appealed to the Second Circuit the denial by this Court of some of his motions; and has filed additional motions. Therefore, the government requests the additional time to determine which motions are outstanding and require a response.

Respectfully submitted,

BENTON J. CAMPBELL  
United States Attorney
